

GeorgiaCares

Local help for people with Medicare

Savings Guide

Get Extra Help

Extra Help is a federal program that reduces out-of-pocket costs for Medicare beneficiaries. If you are a Medicare beneficiary with limited income and resources, you may qualify for additional help with Medicare expenses for prescription drugs and other costs.

Call us today to find out if you qualify for assistance with:

Prescription drug
plan premiums

Medicare
premiums,
deductibles and
co-insurance

Co-pays for
medicines

GeorgiaCares can start your applications process as well as provide help through additional state programs you may qualify for.

Services

- One-on-one counseling
- Compare plans that best fit your needs
- Free and unbiased enrollment advice
- Review and identify your benefits

(Option 4)

GeorgiaCares is a public-private partnership administered through the Georgia Department of Human Services (DHS) Division of Aging Services (DAS). This document is supported by DHS with financial assistance, in whole or in part, through a grant from the Administration for Community Living and the Centers for Medicare and Medicaid Services.

GeorgiaCares offers free, one-on-one counseling where you will get unbiased advice and help with Medicare choices. Our trained professionals are uniquely skilled to help you navigate today's complicated health care landscape — and it's free!

GeorgiaCares consists of the State Health Insurance Assistance Program (SHIP) and Senior Medicare Patrol (SMP).

SHIP

The State Health Insurance Assistance Program (SHIP) provides personalized counseling, education and outreach to assist Medicare beneficiaries and help answer questions about:

- Original Medicare
- Medicare health and drug plans
- Medicare Supplement Insurance
- Financial assistance programs

SMP

The Senior Medicare Patrol (SMP) project empowers seniors to prevent health care fraud to preserve Medicare and Medicaid for future generations. The primary goal is to teach Medicare beneficiaries how to protect their personal identity, and detect potential errors, fraud and abuse.
